SUMMARY

I'm a QA Analyst with experience in manual and automated testing, transitioning into software development. I'm committed to writing high-quality, maintainable code that supports long-term software reliability.

SKILLS

Automation & Frameworks: Selenium, Appium, Pytest, Requests | Programming Languages: JavaScript, Python | Front-End: HTML, TailwindCSS | Back-End: Flask | Performance Testing: k6 | CI/CD: GitHub Actions | Security Testing: OWASP ZAP

WORK EXPERIENCE

Noodle Live   **Jan 2024 - Present**
QA Analyst

- Conducted manual and exploratory testing in addition to automated tests, increasing test coverage by 30% and reducing regression time by 40%
- Automated end-to-end event workflows (badge scanning, registration devices, data syncing) to ensure stability under high traffic.
- Performed performance and scalability testing, identifying and resolving bottlenecks for large-scale events.
- Integrated automated tests into CI/CD pipeline, enabling consistent, reliable deployments.
- Collaborated closely with team members to deliver stable releases for enterprise clients, including Oracle and S&P Global.

Noodle Live   **Aug 2023 - Jan 2024**
Technical Support Specialist

- Set up and tested event check-in systems (registration laptops, badge printers, scanners, tablets) to ensure compatibility and performance.
- Logged and escalated technical issues to developers, contributing to improved test coverage and bug reproduction.
- Supported clients during live events by troubleshooting hardware/software issues under time-critical conditions.

Pan Mar-Trading   **Jan 2021 - Jul 2023**
Sales Administrator

- Managed purchase orders, data integrity for 5,000+ products, and produced sales analytics reports.

Telus International   **Dec 2019 - Jul 2020**
Player Support Specialist

- Provided technical support for a gaming project, assisting players with game functionality, reporting bugs, and documenting edge cases in Jira for tracking and analysis.

EDUCATION

Plovdiv University "Paisii Hilendarski"   **Jan 2016 - Jan 2020**
Bachelor of Arts

CERTIFICATIONS

Postman API Testing, Documentation & Prototyping Certifications -
Postman, Aug 2025 (Credential ID: qa6tdhgh6r88)
